

March Twilight Khanacross

The BORMSA year kicked off with a Twilight Khanacross enjoyed by 29 competitors and many officials and spectators. It was the first outing for Ted (the X3 Excel super car of Mark, Steve and Dave) which claimed 1st, 2nd and 3rd outright. Other new faces included Darryn's Alfie which broke in spectacular fashion on it's first outing to Beverley; there were better results for the new Excels of Bryan & Bec and Mike & Faioa.

A total of 16 tests were completed, half of which were run after dark. Final results were:

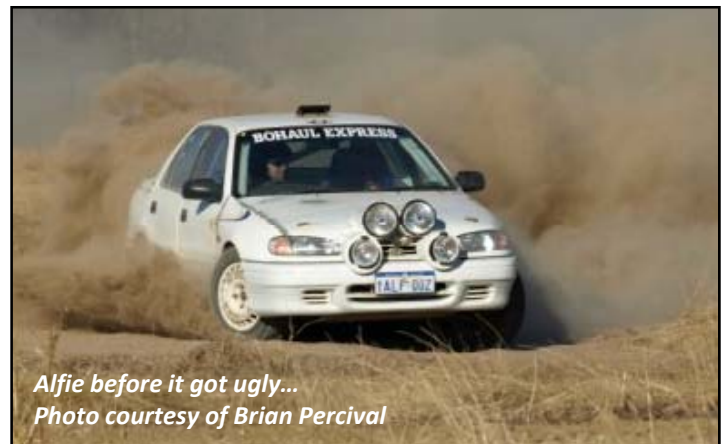

1. Mark Davies	22:01.17
2. Steve Davies	22:04.37
3. Dave Abetz	22:34.61
4. Tim Ralli	22:39.59
5. Andrew Percival	22:54.45
6. Mike Rowston	23:02.94
7. Bryan Smith	23:08.14
8. Lee McIlroy	23:36.24
9. Robert Percival	23:39.36
10. Iain Livingstone	23:47.45

With both Mark and Steve having recently joined BORMSA, competition will be fierce for the 2008 Club Championship – look out Tim!

Driver Development Day

Ten drivers headed out for practice and skills development at the March Driver Development Day. Family, friends and those new to motorsport are encouraged to participate in the Drive Days which are a great way to have a go in a non-competitive environment.

Costs can be as low as:

- BORMSA day membership (\$10)
- Entry fee (\$15)
- Single use CAMS Level 1 Licence (\$21)

Experienced drivers are available to assist with skill development. The next Drive Day will be held on Saturday 24th May.

April Khanacross

A record number of 19 tests were completed during the slightly muddy Khanacross event in April. In the battle of the brothers, Steve Davies edged away with victory by ten seconds over Mark (who is blaming the garage overshoot penalty for the result). Jen Edwards secured the 3rd top 10 result of the day for Ted the X3, even with the front end missing.

Ted the X3

Wayne caused a few issues with his creative garage setups, making everyone think twice as they headed to the finish line.

It was a sad day as Andrew Percival's "Light is Might" Honda Civic was brought to a halt after a grand and glorious career. Hopefully Andrew will have a new toy ready for the next event.

1. Steve Davies	25:03.83
2. Mark Davies	25:13.94
3. Gavin Morgan	26:20.49
4. Travis White	26:21.10
5. Brenton Schultz	26:29.41
6. Ross Burton	26:58.53
7. Stan Pisulak	27:05.92
8. Iain Livingstone	27:06.44
9. Steven Tarbert	27:20.39
10. Jen Edwards	27:43.09
