

## Merry Christmas

## & Happy New Year!

Season's greetings to all BORMSA members! Hopefully everyone received their desired rally presents from Santa and is looking forward to another year of racing in 2013.

## BORMSA Life Members

BORMSA's inaugural life memberships were presented at the 2012 AGM. Anyone who has been involved in BORMSA over the years would recognise the enormous contributions made by **Chris Kirkhouse (#2)**, **Mike Rowston (#5)** and **Wayne Sleep (#1)** since the club was first formed.

From running and promoting the club, to designing and building tracks, organising events, fixing machinery, GPS plotting and developing results systems – these three have it covered.

BORMSA is proud to acknowledge the efforts of these fantastic club members and thanks them for the time and effort expended in making the club what it is today.

## August Autocross

Family pride was at stake in a number of cars, with the Davies' brothers, Burtons, Lathwells and Murrays all going head-to-head. In a field littered with Toyota Corollas, the outright win went to Sean Stone in his Galant, who recorded 6 great times.

Eight cars in total beat the 2-minute mark for the Autocross track, including Darryn, who managed to break two Hyundais (one not his!) in his pursuit of quick laps. A late change in the weather made life interesting and caused a last minute shake-up of the results.

After a great day's competition, Top 5 results were:

- Sean Stone 11:43.50
- Steve Davies 11:46.30
- Dene Courtis 11:51.80
- Ross Burton 11:53.10
- Ron Ferguson 12:02.20

**Don't FORGET!**

Don't forget to renew your BORMSA membership and CAMS licence for 2013. BORMSA memberships are \$50 adult, \$20 junior, \$100 family or \$10 social.

## September Khanacross

It was a battle of attrition at the Father's Day Khanacross with a field of 11 starters falling like dominoes. Cam Moody came away with his first win of the season, in between recovering his less fortunate competition. Even the Davies' ever-reliable Fred departed stage on the end of the tow rope, being one of many cars to suffer driveshaft failure.

### Top 3 Results:

Cam Moody	23:18.82
Dene Courtis	23:48.40
Roger McNaughton	23:56.44

An honourable mention to Dene & Rob for their efforts in getting Roger to the start line without keys!

## September Autocross

A strong field of 25 entrants started the second Autocross of the year, which saw Dene Courtis lead the 2WDs home in a strong second place behind Gavin Morgan's Evo.

In what was the most sideways event of the year, Mark edged out Scally by only 1 second over 6 tests in one of the closest pairings of the day.

### Top 5 Results (6 runs in total):

Gav Morgan (4WD)	11:40.11
Dene Courtis	11:50.70
Rob King	12:18.28
Iain Livingstone	12:21.20
Mark Stevens	12:21.62

Many thanks to Brian Percival of Motorsports Photos BJP and Dave McDonald who took some great shots of the event.
